AMERICAN AGGRESSION ON IRAQ AND SYRIA... O! MUSLIMS UNITE FOR THE GUARDIANSHIP OF *AL-HARAM*

All praise is due to Allah and may peace and blessings be upon the Messenger of Allah. The latest American aggression on Iraq and Syria has once again proved that America is the head of *Kufr* (infidels) and a leader of tyrannical system which comprehends the defence of oppression and oppressors to be its very obligation. Thousands of Muslims were martyred by the indiscriminate bombardment of Israel on Gaza but America didn't move, instead aided the Israeli oppression militarily and monetarily. Barrel bombs to chemical weapons were used against the Syrian Muslims but America was not budged, instead the *Mujahidīn* in Syria were pronounced as terrorists. The wicked America formed an international alliance to attack on Iraq and Syria at a time when Israel and its coalition of the tyrants felt threatened by the Jihadi resurgence in the *Ummah*. From Afghanistan and Pakistan to Yemen and Somalia till the shores of Palestine; America is spilling the Muslim blood in the defence of tyranny and tyrants. It's a fact that Muslim *Ummah* can't be liberated neither can it get rid of the cruel system of *kufr* (infidels) nor it can practice its religion collectively until and unless the head of snake; America is not crushed.

The attack on Iraq and Syria is not against a particular group or organization instead it's an attack on entire *Ummah* aiming to terminate every Islamic and Jihadi movement which aims to stand against the tyranny and believes in the establishment of *Shari'ah*. The objective of this attack is the defence of Israel, protection of the global rule of tyranny and the subjugation of the Muslims.

Once again we call upon the Muslims worldwide to stand in support of the *Mujahidīn* against the American coalition and join this *fard-al-ayn* (absolute obligation of) Jihad to gain freedom, to protect their *Deen*, to guard their holy places and to establish the supremacy of *Shari'ah*.

Also our message to the *Mujahidīn* of Iraq and Syria is that the elimination of American aggression is concealed in the brotherhood and union of all the Jihadi groups and organizations, reversion towards Allah (swt) and in fighting against this infidel coalition in firm ranks. "Hard on the disbelievers, compassionate among themselves" أَشِدَّاءُ عَلَى الْكُفَّارِ رُحَمَاءُ بَيْنَهُمْ, unity, brotherhood and cooperation was the call of *Shari'ah*, the way of victory and success and is the key towards the establishment of Caliphate. A Caliphate based on the blessed methodology of the Holy Prophet (peace be upon him), a Caliphate attributed with *Shūra* (mutual consultation), a Caliphate based on the safety of wealth and blood of Muslims, a Caliphate which would be a symbol of brotherhood and unity of Muslims. Therefore your guns should be pointed towards the enemy. Verily the sacredness of the Muslim blood is more than the sacredness of Ka'bah; fear Allah in this regard. Refrain from the great sin of spilling Muslim blood by any false interpretation or adulterated interest, work under the guidance of the *Ulama* of Jihad; that it has the remedy of *Ummah's* sufferings, the supremacy of Allah's *Deen*, devastation of oppressors and above all your success in the hereafter.

O! Muslims unite for the guardianship of *Al-Haram*

From the Shore of Nile to the soil of Kash'gar

We also want to remind the *Mujahidīn* everywhere in the world that our enemy is arrayed

against the Muslim *Ummah* all over the world. Its interests are spread all over the world. Where it is needed to pay full scale attention towards the frontlines of Syria and Iraq, Palestine and Afghanistan, Yemen and Somalia, while targeting the interests of the enemy worldwide through the global movement of Jihad is the way of getting rid of this symbol of tyranny and violence.

In last we want to give you the glad tidings of a humiliating defeat of America and its allies in Afghanistan and *Khurasan* after a period of thirteen years; which is a result of the blessed ongoing Jihad under the leadership of Amīr-ul-Mominīn Mullah Muhammad Umar Mujahid (may Allah protect him). By the will of Allah this defeat of America and its allies will be a tiding of victory and success for all the Muslims of the world.

And the end of our call is; Praise be to Allah, the Lord of all the worlds.
